Chief United States District Judge

MOTION FOR PERMANENT INJUNCTION

Corey Blocker makes this motion for a permanent injunction against the defendants going against Congress mandated law, for this Court record and on this Court's record Corey Blocker is demanding that this Court puts an Permanent injunction against the defendants breaking the U.S Constitution by mandating that Corey Blocker seek employment to receive his Unemployment benefits. Even though Congress did not mandate that Corey Blocker had to seek employment to receive the Unemployment that ~~was~~ Congress passed and the defendant sign into law. Therefore Joe Biden does not get to state that Corey Blocker has to do anything that was not put into law by Congress. Therefore the fact that Joe Biden thinks he is a dictator and gets to just state things that have no bases in law is further proof that the Covid-19 Pandemic is and was plan to deny the residence of the Country commonly known as the United States their Constitutional rights granted by the U.S Constitution. Corey Blocker is demanding that a permanent injunction also be placed on the defendants for denying Corey Blocker's grants and loans through the SBA. Because it can be proven that the defendants have been denying Corey Blocker his Unemployment and Grants and loans, for the purpose of causing Corey Blocker Undue hardship. Which is strong arm Extortion and against the U.S Constitution and grounds by law for Everyone Involved to be hung to death.
